RE: 420158315

Dear Ms. Reddy:

Thank you for your recent passport application. However, additional information is needed to process your request. The Code of Federal Regulations, Title 22, Section 51.28 provides that U.S. passport applications for children under the age of 16 require the consent of both parents or legal guardians.

Since the application was only signed by one parent/guardian, please submit **one** of the following:

- A **notarized** statement of consent including the child's full name and date of birth and listing the non-applying parent's/guardian's relationship to the minor, along with a copy of front and back of a photo identification from the non-applying parent/guardian authorizing passport issuance for the child. Limited or qualified consent statements are not acceptable. (The non-applying parent may use the enclosed DS-3053, *Statement of Consent: Issuance of a U.S. Passport to a Minor Under Age 16*); **or**
- A court order specifically permitting the applying parent/guardian to apply for the child's U.S. passport; **or**
- A court order granting sole legal custody to the applying parent/guardian (unless the child's travel is restricted by that order); **or**
- A certified U.S. birth certificate, foreign birth certificate, or Report of Birth Abroad (Form FS-240) listing only the applying parent; **or**
- An adoption decree if the applying parent is the sole adopting parent; **or**
- A judicial declaration of incompetence of the non-applying parent/guardian; **or**
- A power of attorney that specifically grants the applying parent/guardian permission to apply for the child's U.S. passport; **or**
- The death certificate of the non-applying parent/guardian.

If none of the above documentation is available, the applying parent/guardian must submit a signed statement of special circumstances including the child's name and date of birth, explaining why the non-applying parent's/guardian's consent cannot be obtained. In the statement, please include the non-applying parent's/guardian's last known address, telephone number(s), place of employment, and specific details about the number and manner of attempts made to contact the non-applying parent. The applying parent may use the enclosed DS-5525, *Statement of Exigent/Special Family Circumstances for Issuance of a U.S. Passport to a Minor Under Age 16*.

Please note the following important details on acceptable documentation:

- Court orders must be complete, and include the child's name and judge's signature;
- If the name of the parent/guardian is different than the name on the documents, evidence of legal name change is required.
- Notarized statements of consent must be signed on the same day by the non-applying parent/guardian in the presence of a certified notary public, be less than three months old, and accompanied by a photocopy of the front and back side of the photo identification presented to the notary public.
